Robert Borczon Memorial Scholarship Fund
Columbus Regional Health Foundation

Robert Borczon was the chief administrator at Columbus Regional Hospital from 1967 until his retirement in 1985. He believed in the importance of education and desired that hospital employees be provided an opportunity to further their training. He was a supporter of employees who set high educational goals for themselves and diligently worked to accomplish them.

When Mr. Borczon died in 1998, to honor his commitment to education, a fund was established with Columbus Regional Hospital Foundation to award scholarships to hospital employees who are seeking professional development in a health-related career through post-secondary education.

Eligibility Requirements:

- ◆ Employed by Columbus Regional Health for a minimum of one year, as of April 1, 2020
- ◆ Must work at least an average of 40 hours per pay period over the last 12 months
- ◆ Be admitted to an accredited post-secondary program
- ◆ Be seeking a degree in a health-related field, including business
- ◆ Submit two character recommendations – one must come from applicant's current supervisor – *not* a past supervisor.
- ◆ Must be available for interview (if selected as finalist) with the scholarship committee the morning of: **Friday, May 7th, 2021**
- ◆ If selected as a recipient, must agree to continue employment at Columbus Regional Health for at least two years from final disbursement of scholarship.

Four winners will each receive a \$3,000 scholarship, payable in two installments to their respective school. **An initial payment of \$1,500 will be given the first year, and the remaining \$1,500 may be renewed by each recipient the following year or within five years of the original award as long as initial qualifications are still met. Two-year employment agreement is effective from the date the school receives the final payment.**

Award winners will be selected based upon financial need, quality and completeness of application, timeframe for completion of program, and academic performance or potential. All applicants are required to attach a copy of their completed Free Application for Federal Student Aid (FAFSA).

Eligible employees are invited to pick up an application in the Hospital Foundation office or the application can be downloaded from the CRH Intranet.
